'PEACH SKIN'

100% VIOGNIER

**Deux Vert Vineyard, Yamhill-Carlton AVA
Willamette Valley, Oregon, U.S.A**

QUICK SUMMARY:

Our skin contact Viognier is entering its 4th vintage. Year in and year out it remains one of our most popular wines. We sourced these Viognier grapes from the famous Deux Vert Vineyard in the Yamhill-Carlton AVA. Planted in 1999, these vines are thought to be the oldest Viognier in the Willamette Valley. Fermented on skins for 14 days, then aged in a combination of neutral Acacia puncheons, this one might be the best yet. Aromatics of white peach, dried peaches, peach candies, and gorgeous tannins, our "Peach Skin" is raising the bar on domestically made skin contact wines. Bottled unfined (Vegan) and unfiltered.
